Dear Families and Friends,

Thank you for coming to our  
**Stillwater Elementary 5th grade Art Show.**

Please take some time to click around and look at all the beautiful art that was created by our five 5th grade classes this year.

The art that you will be viewing is...

**"Meet This 5th Grader"**

For this art, our students have drawn self portraits. They have also created lists of the things that they love and the things that they dislike as fifth graders.
